

FÖRBÄTTRAD KONTROLL VID REDIGERING AV TEXT...

...text för Textlinjer och Infop. (1)

The screenshot displays a web-based GIS application window titled "Timmerweb GIS". The browser address bar shows the URL: <http://twtest1.prodstod.se/tgis/index.jsp?action=create&externId=999005&namn=999005&beskrivning=skapad%20idag&anmarkning=enbart%20i%20>. The application interface includes a menu bar with "Arkiv", "Redigera", "Visa", "Favoriter", "Verktyg", and "Hjälp". Below the menu is a search and attribute panel titled "Sökning & Attribut" with tabs for "Sökning", "Åtgärdsobjekt", and "Dokumen". The "Åtgärdsobjekt" tab is active, showing a list of attributes with expand/collapse icons: "Åtgärdsområden (1)", "Avvikande åtgärdsytor (0)", "Hänsynsområden (0)", "Nödkoordinat (1)", "Vägar (0)", "Virkesavlägg (1)", "Informationspunkter (0)", and "Textlinjer* (1)". The "Textlinjer*" section is expanded, showing a table with two columns: "Text" and "Position". The "Text" column contains the text "Detta är en lång text som bre..." and the "Position" column contains "NO". A large red arrow points from the left towards this text input field. The main map area displays a topographic map of a forested area with a lake on the left. A blue line is drawn on the map, and a large red arrow points from the right towards it. The map includes a scale bar at the bottom left showing "1 : 10 000" and a coordinate system indicator at the bottom right: "Sweref 99 TM: 7198527, 639040 (N, E)". The "Lager och Teckenförklaring" panel is visible on the right side of the map. The "metria" logo is located in the bottom right corner of the image.

...text för Textlinjer och Infop. (2)

The screenshot shows a web-based GIS application interface. On the left, there is a sidebar with a search and attribute panel. The main area displays a topographic map with various features and a text label. A red arrow points to the text label, which is wrapped. A callout box above the text says "Lång text radbryts...". The text on the map reads "Detta är en lång text som breder ut sig långt åt nordost." The application window title is "Timmerweb GIS" and the URL is "http://twtest1.prodprod.se/tgis/index.jsp?action=create&externId=999005&namn=999005&beskrivning=skapad%20idag&anmarkning=enbart%20i%20...". The bottom of the window shows a scale of 1:10 000 and a coordinate system of Sweref 99 TM: 7198502, 639555 (N, E). The Metria logo is visible in the bottom right corner.

The screenshot shows a web-based GIS application. The browser address bar contains the URL: <http://twtest1.prodstod.se/tgis/index.jsp?action=create&externId=999005&namn=999005&beskrivning=skapad%20idag&anmarkning=enbart%20i%20>. The application title is "Timmerweb GIS". The main menu includes "Arkiv", "Redigera", "Visa", "Favoriter", "Verktyg", and "Hjälp". The user is logged in as "Metria Slickness".

The interface is divided into several sections:

- Sökning & Attribut:** A sidebar on the left with tabs for "Sökning", "Åtgärdsobjekt", and "Dokument (1)". It lists various attributes like "Åtgärdsområden (1)", "Avvikande åtgärdsytor (0)", "Hänsynsområden (0)", "Nödkoordinat (1)", "Vägar (0)", "Virkesavlägg (1)", and "Informationspunkter* (1)". A "Text" input field is visible with the text "Detta är en ännu längre text som b...".
- Map:** A central map view showing a forested area with a lake. A purple line points to a text annotation on the map that reads: "Detta är en lång text som breder ut sig långt åt nordost." A red arrow points to this annotation.
- Bottom Panel:** Contains "Textlinjer (1)", "Spara", "Gå till", "Traktdirektiv", and "Rapport" buttons. It also shows a scale of 1:10 000 and coordinates Sweref 99 TM: 7198552, 639841 (N, E).

A red arrow on the left side of the image points towards the "Text" input field in the sidebar.

The screenshot shows a web-based GIS application interface. The browser address bar contains the URL: `http://twtest1.prodprod.se/tgis/index.jsp?action=create&externId=999005&namn=999005&beskrivning=skapad%20idag&anmarkning=enbart%20i%20`. The application title is "Timmerweb GIS". The main menu includes "Arkiv", "Redigera", "Visa", "Favoriter", "Verktyg", and "Hjälp". The user is logged in as "Metria Slickness".

The interface is divided into several panels:

- Sökning & Attribut:** A sidebar on the left with search and attribute filters. The "Text" section is expanded, showing a text input field with the content "Detta är en ännu längre text som b...".
- Map:** The central area displays a topographic map with various features. A purple line points to a text annotation: "Detta är en lång text som breder ut sig långt åt nordost." Another text annotation is visible: "Detta är en ännu längre text som breder ut sig åt öster, som är standard för Informationspunkter." A red arrow points to this second annotation.
- Textlinjer (1):** A panel at the bottom left showing a list of text lines.

A large orange box with the text "Lång text radbryts..." is overlaid on the map area. The bottom status bar shows a scale of 1:10 000 and coordinates Sweref 99 TM: 7198552, 639841 (N, E). The Metria logo is visible in the bottom right corner.
